SUBJECT: MWCT Exhibit

We are in the process of developing a Marlboro world Championship Team exhibit for use in the US. The purpose of the display will be to showcase Marlboro's world class heritage in all forms of motor racing.

With this in mind we are looking to purchase a McLaren Formula One replica and a Marlboro Team Roberts show bike. Also included in the exhibit will be a Marlboro Team Penske Indy car.

I would appreciate if you would advise us on how to go about acquiring these vehicles. We anticipate beginning operation of this display in March of 1993.

Thank you for your help and please let me know if you need any additional information.
